AMS™

ONE CONCEALABLE CARRIER ONE FOR ALL

 **AMS™**

AMS™

CONCEALABLE CARRIER SYSTEM

Experience our AMS™ concealable carrier.
Meticulously crafted, this cutting-edge soft armor panel carrier redefines comfort and performance.

With an innovative design utilizing moisture-wicking fabric, the AMS™ concealable carrier expertly diffuses pockets of body heat, providing an unparalleled level of breathability. No matter the heat or oppressive humidity of hot climates, you can now enjoy superior comfort, even during extended wear.

The AMS™ concealable carrier boasts a tailored fit that contours seamlessly to your body. This precision ensures maximum concealability, allowing you to move with confidence and maintain a low profile without compromising on safety.

Available in sleek black, the AMS™ concealable carrier combines functionality with style, complementing any ensemble effortlessly.
